## **Dhii Your NABH Consultant!**

Dhii's Consulting team comprises of prominent mix of industry experts, academicians who are trained in healthcare service delivery. We provide tailor-made consulting services offering highest quality at reasonable cost.

Dhii's NABH consulting will help healthcare organizations to take initiatives through quality strategy, policy development, technical assistance for accreditation, training, capacity building, process standardisation, quality indicators development and performance excellence models.

## **NABH is to your advantage!**

- It raises community confidence in the services provided by the hospital.
- When a hospital is NABH accredited, the patient can be rest assured that the hospital follows stringent standards as laid down by the accreditation body for providing best in patient care comparable to any international hospital of repute.
- It will enable the hospital to benchmark against the best and claim the worth.
- It enables you to acquire international quality standards like JCI/ JCAHO, creating a mark on the world map and increase business through medical tourism.
